

Foundation for Safer Housing FOUR YEAR SCHOLARSHIP APPLICATION

The Foundation will grant one \$4000.00 scholarship (\$1000.00 yearly distribution) to a high school graduate who has a genuine interest in construction engineering, architectural or construction management and might need financial assistance. Please read the instructions carefully and fulfill all of the requirements. Should you have questions that your parent, guidance counselor, or principal cannot answer, please refer them to us

ELIGIBILITY REQUIREMENTS

- Be a high school graduate, enrolled in a 4 year degree program.
- Be a citizen of the United States.
- Have at least a 3.5 grade point average based on a 4.0 scale.
- Attain a minimum test score on the Scholastic Aptitude Test (SAT), or the American College Testing Program (ACT). The scores, listed on page two, are used only as a minimum threshold level, and are otherwise not used in the selection process.
- All courses will be reviewed and considered. You will be awarded supplemental credit for math, computer, natural science, and mechanical drawing courses, as well as honors, advanced placement, IB, and college-level courses. For purposes of this application, college-level courses are defined as those offered by university, college, or junior college for which special high school or college credit is earned by the applicant. Scholarships are paid directly to the student. All scholarships are contingent upon your enrollment in an engineering /architectural/construction management program. The program in which you enroll must be accredited. All applicants must intend to earn a degree. The announcement of all scholarship recipients will be made in August each year.
Keep a copy of your completed application for future reference.

RETURN APPLICATION Application submittal deadline is July 30th each year.
